

Tenure-Track Faculty Positions at KAIST

The School of Digital Humanities and Computational Social Sciences in the College of Liberal Arts and Convergence Science at KAIST (Korea Advanced Institute of Science and Technology) is inviting applications for tenure-track positions in the following areas:

- **Humanities with strong potential for interdisciplinary research with engineering and natural sciences**
- **Computational Linguistics or Psychological Linguistics**
- **Cognitive Science**
- **Affective Science**

We are looking for ambitious scholars of outstanding promise, who have experience in developing **interdisciplinary research** programs in line with the goals and visions of the School of Digital Humanities and Computational Social Sciences. Successful candidates should have a doctorate in her/his relevant discipline (**awarded earlier than or by January 2026**), a strong publication record which includes at least one or more SCI, SSCI, A&HCI, Scopus and should be able to provide the evidence of excellence in teaching.

KAIST is an internationally ranked and renowned research university based in Daejeon, South Korea. As a rapidly expanding global institution, KAIST mandates English as the primary language of instruction. Salaries and benefits are comparable to those of major research universities in the U.S., and negotiable depending on qualifications. In addition, on- or off-campus housing, subsidies for settlement expenses, and start-up funding for research will be provided. KAIST is an equal opportunity/affirmative action employer.

Interested candidates should send **an application** (the forms to be downloaded from the announcement board at <http://hss.kaist.ac.kr>) and other documents required by the application forms to e-mail (sdhcss@kaist.ac.kr) for an initial screening by **18:00 KST on May 19, 2025**. Those who successfully pass the initial screening will be invited to submit additional materials. Anticipated starting date is September 2025.

Documents to be submitted

All documents, including Word files but excluded Excel files, should be merged into one pdf file.

- Application for a Full-Time Faculty Position
- Curriculum Vitae (CV)
- Academic Research Performance & Track Record Data

- Documents should not contain personal or private information that may prejudice a faculty review committee such as school names, birthplace, photos, names of family members, date of birth, etc. Falsification of documents, forgery, and fraud are considered invalid.
- Applicants are solely responsible for the contents of the documents, and appointment offers

may be rescinded if inappropriateness or falsehoods are discovered later.
